11. *FINANCIAL ALLOWANCES*

To review the Council's standing on Financial Allowances. Financial allowances are legally able to be paid to elected town and parish Councillors, should the Council resolve to do so. This is uncommon, but some councils do choose to pay these.

The amount of allowance was set by an independent panel convened by Cornwall County Council in June 2004, and figures last updated 16 years ago. The figure has since risen in line with the NJC pay awards which are applicable to staff.

The recalculated annual values for 2025/26 (the NJC have not agreed 2026/27 pay award to date) are:

Member allowance: £262.78

Chair allowance: £394.15

This may constitute a larger increase than expected from 2024/25 - however the figures have been reviewed over the last 16 years and recalibrated for accuracy and agreed with Cornwall Council as accurate.

To agree whether to adopt, or not, Financial Allowances for Pelynt Parish Councillors.

12 *FINANCES*

12.1 Virement

To agree the recommendations of the Responsible Finance Officer to move funds within Ear Marked Reserves as detailed below. This would allow a more accurate representation of costs that may befall the Council's budget.

Present Situation within headings:

12.2 S.137 Heading

Grants have previously been made from the S.137 budget. This heading should only be used where the Council has absolutely no power to spend from any other heading. The Responsible Finance officer proposes that £1000 be allocated to Grants and previous spend from S.137 be moved across to the Grants Heading and the S.137 budget figure be restored from the grants heading. This additional £1000 would be covered within the current 2026/27 precept budget figure.

12.3 TRANSFER OF MONIES

To agree to the Responsible Finance Officers request to transfer £40000 from the Lloyds current account to the savings account. There is currently £69,722.97 (not including October spend) in the current account which does not earn any interest. If this £40,000 had been in the deposit account this would have earned £780 in interest this past year. This will leave £29,722.97 in the current account with budgeted expenditure of £17,556.15 remaining this financial year and funds available for any over or additional spending.

13. *GRANTS*
13.1 The Prevention Project

"I'm Macauley South, Founder and Director of **The Prevention Project CIC**, a gambling-harm prevention, education and recovery organisation based in Plymouth.

I'm getting in touch because we've recently widened our **£15,000 All-or-Nothing Crowdfunder** so that the work can reach communities across the **South West**, rather than being focused solely on Plymouth.

Gambling harm doesn't begin at rock bottom.

It can start much earlier — with a young person being exposed to gambling advertising, someone chasing losses, a student struggling financially, or somebody simply not recognising when their gambling is becoming harmful.

Government evidence has estimated **up to 496 excess suicide deaths in England associated with problem gambling or gambling disorder**.

496.

That's 496 too many.

And behind every number is a person, a family and a community.

What we're trying to do

The Prevention Project is built around:

PREVENTION • EDUCATION • RECOVERY

We're already working with young people, schools, colleges and organisations to have honest conversations about gambling before harm escalates.

We've also delivered prevention work with **Plymouth Argyle Academy**, and since launching this campaign we've received **more than 100 enquiries** from schools, colleges and organisations wanting support.

The Prevention Project Begins Gambling-Harm Prevention Work with Plymouth Argyle Academy — The Prevention Project

The problem is that many simply don't have the budget to pay for it.

That's why we're fundraising.

Our **£15,000 All-or-Nothing Crowdfunder** is designed to help us provide free gambling-harm prevention and education, alongside free 1-to-1 recovery support, across the South West.

And this is personal for me.

My own gambling addiction left me with **more than £100,000 of debt**, damaged relationships and took me to a point at 23 where I didn't want to be here anymore.

Macauley's story — The Prevention Project

I know what gambling harm can look like when it has already gone too far.

That's why I'm so passionate about reaching people **before** they get there.

We've already had councillors back the campaign

We've already had councillors personally support the campaign, including **Cllr Dan Thomas, Cllr Angie Smith, Cllr Tess Blight and Cllr Trevor Munro**, alongside one councillor who has chosen to remain anonymous.

And this is where I think we could do something really powerful across the South West.

If councillors across Cornwall and Devon who believe this issue matters each put something behind the campaign, **we could reach our £15,000 target and help fund prevention and recovery support for the next generation.**

It doesn't have to be a huge contribution.

A donation, a share, an introduction to the right organisation, or simply helping us open the right door could make a real difference.

Crowdfunder:
https://www.crowdfunder.co.uk/p/the-prevention-project

If you're able to support the campaign in any way, I'd be hugely grateful.

And if you know of a local organisation, business, funder or community group that might be able to help us take this further, I'd really appreciate an introduction.

We're trying to build something that reaches people **before gambling harm becomes debt, damaged relationships, mental-health crisis or something much harder to come back from.**

Gambling harm doesn't begin at rock bottom.
Prevention shouldn't either."

17. *MATTERS FOR REPORT AND ITEMS FOR THE NEXT AGENDA*

18. *DATE OF NEXT MEETING*

MINUTES OF THE PELYNT PARISH COUNCIL MEETING HELD ON THURSDAY 10TH SEPTEMBER 2026

Present: Councillors: Kevin Wakeham – Chairman, John Philp, Debbie Jones, James Dingle, Molly Boxall, Serena Blake, Benita Garrott, Andy Talor and Mike Axon
And nine members of the public.
Officer: Robert Horskins, Parish Clerk and Responsible Finance Officer.

WELCOME

Kevin Wakeham, Chairman, welcomed all to the meeting. He took a moment to reflect on the sad news of the death of a local parishioner, Geoffrey Maddaver, who was known throughout the Parish for his contribution to the village.

AGENDA

1) 25128. *APOLOGIES FOR ABSENCE*

Apologies for absence were received from Cornwall Councillor Jim Candy, and from PCSO Steve Cocks, Devon and Cornwall Police. *A post meeting apology was received from Cllr Steve Smith who had been unavoidably detained.*

2) 25129. *DECLARATIONS OF INTEREST IN ITEMS ON THE AGENDA*

None.

3) *PUBLIC PARTICIPATION*

3.1) **25130**. POLICE REPORT – The following report from Devon & Cornwall Police on local issues was read out to the Council:

Dear Councillors,

Please accept my apologies for my nonattendance at this months' Parish Council meeting.

From 01/08/2026 – 31/08/2026 there were 2 crimes in the public domain including a theft from motor vehicle and a dog out of control causing injury.

The No Cold Calling zone has now gone live with new signage in Richmond Road, Tower Close and Tregarrick. This is a collaboration between the Police & Trading Standards whereby failure to leave your property when requested could be a criminal offence, uninvited callers should be reported to the Police.

Numerous patrols have been conducted around the Parish, and all was found to be in order.

If there are any questions or matters arising for my attention, then please contact me in the usual manner.

3.2) **25131**. CORNWALL COUNCILLOR – The following report, from Cllr Jim Candy, was read out to the council.

Pelynt Report 10.9.2026

A) *I had reported the overgrown hedges on Wilton Terrace and believe they have been trimmed. Has the work on Summerlane Road been done, as I have not had a chance to inspect?* It was commented that the work had yet to be carried out.

B) *I did look around Sentry Meadow, all seemed ok, but please let me know if I missed anything?* The Chair asked if Councillors had been to view Sentry Meadow? No one had to date. It was agreed to include as an agenda item for October's meeting.

C) I will be meeting Coastguards to discuss their allowance payments. This dispute with management about their attendance allowance is obviously not an abuse of workers rights, and I hope it can be resolved.

D) The Community Highway Improvement Plan options for Pelynt involving traffic calming on the main road are being developed and costed

E) Cornwall Council joined the vote of No Confidence in SW Water at its recent Full Council meeting

F) Andy Burnham PM has supported the Government's plan to make Cornwall a single Foundation Strategic Authority. Details of the plans to keep strategic decision-making within Cornwall are progressing, without a Mayor being imposed.

G) I was sad to hear of the passing of Geoff Maddever, a fellow farmer who was always community minded.

H) I was pleased to attend the Cornwall Civic Award presentation to Jan Cook by Cllr Rob Nolan, Chair of Cornwall Council, a much deserved honour.

Councillor Jimmy Dingle expressed concern that the Clerk had included in an email to Councillor Candy a reminder that his report was the only part of the meeting in which he could speak. The Clerk explained this was covered within Standing Orders that non Parish Councillors could only speak in Public Participation. Cllr Dingle replied that Cllr Candy

brought a lot of knowledge and contributions to the meetings and as such he should be allowed to comment with Standing Orders being suspended, if required, for such input.

3.3) **25132.** PARISH FORUM – A member of the public reported that the shrubbery on the footpath along the side of the Surgery was very overgrown. The Chairman explained that this matter had been referred to the owner of the property. The member of the public continued by saying that the continuing pavement at the end of the footpath was eroding in places and was becoming a trip hazard. The Chairman replied that the path there was owned by Cornwall Council and that The Clerk would report it to them. The resident added that the overgrown hedge was blocking out the street light. The Chairman explained that the owner of the hedge had been written to by the Clerk and they had replied that they would be obtaining quotes to rectify this. The Chairman reminded all present that anyone could report such issues online to Cornwall Council themselves or report it to the Clerk who would do it on their behalf.

A resident gave an overview of the dementia safeguarding scheme initiated by Devon and Cornwall Police. He showed examples of a wrist worn interface, which would give details of the wearer, via Bluetooth, and a GPS Tag that people could wear. He asked people to pass on knowledge of the scheme. Posters were provided for the village notice boards.

4) 25133. *MINUTES OF THE LAST MEETING*
The minutes of the last meeting held on Thursday, 30th July were agreed.
Proposed by Councillor John Philp Seconded by Councillor Molly Boxall
Voting: For: 5 Against: 0 Abstain: 4 No Vote: 0

7) 25136. *CORRESPONDENCE*
Correspondence forwarded to Councillors was noted.

It was noted that a letter had been sent to the owner of the overgrown hedge bordering the Surgery Path. The property owner's gardener had posted to Social Media stating that the hedge was too big for him to undertake and many prospective contractors had come forward with details. It was agreed that the Clerk could not make recommendations on hearsay but would write to the property owner explaining the above details and suggest he ask for contacts through his own gardener.

Allotments: A parishioner had emailed asking what provision the Parish Council made for allotments? Historically there had been allotments but these fell into poor use. That land is now part of the school field. The Chairman explained that a group of people would need to express an interest before any action could be reviewed. The Clerk would write to the parishioner.

9) 25138. *PLANNING RESULTS*

11) 25140. *PARKING POLICY*
The Clerk went through the amendments to wording within the Parish parking policy. Some discussion took place and it was agreed to change the duration of parking from 7 days to 24 hours. It was also agreed to add in contact details for the Clerk and to change the Annual 24 hour closure to any closure and to remove the word "commercial".

A resident wished to speak and The Chairman agreed. A question was asked as to why parking bays could not be installed on the verge along Wilton Terrace thus removing the need for on road parking. The Chairman explained there was insufficient room for such a bay and the cars parked along the terrace did give a benefit in reducing the speed of vehicles passing through.
Proposed by Councillor John Philp Seconded by Councillor Molly Boxall

12) 25141. *CLERK'S RENUMERATION*

Councillor Debbie Jones said she had noticed there were a few graffiti “Tags” around the village and asked Councillors to be aware.
